Show details: Open to VADA Members and Non-members. VADA members will be given priority to enter this show. If you are a member of a local VADA dressage chapter, you are automatically a VADA member and eligible to enter this show. Non-VADA members will be allowed to enter the show if space is available. Only VADA members are eligible to participate in the Adult and Junior Chapter Challenge, Musical Free Style Sweepstakes and receive Special Chapter Awards in this show.

Tests offered: Intro through Grand Prix, MFS, Western Dressage, Gaited Dressage, Quadrille, Pas De Deux.

VADA reserves the right to limit riders to 2 tests per horse and a total of 2 horses, in the event that the show fills. Entries are limited to two rings. Chapter Team rides have priority over non team rides.

Chapter Challenge:

The Chapter Challenge is a Team competition for VADA members riding in this show and is held in addition to the individual ride competition. All classes will be pinned separately (example: all Intro classes will be scored and placed separately, not combined.) In addition to the individual class placings, there will be a Chapter Challenge using the scores from the individual classes, except that Western Dressage, Gaited Dressage, PDD, Quadrille, and MFS scores will not be used for purposes of the Chapter Challenge.

- Each person entering the show will be asked to designate the chapter he/she is riding for on their entry form (may be the chapter of either the rider or the horse's owner, if different.)
- If a rider is a member of more than one chapter, he/she must designate one chapter that they are riding for; riders cannot split their rides among chapters unless they are riding 2 horses, in which case, each horse's scores can be credited to a different chapter.
- To be eligible to participate in the Chapter Challenge, a chapter must have a minimum of 3 riders (Riders can either be riding 1 or 2 tests each.) At least 1 of the 3 riders must show at or above 1st level, EXCEPT for Junior Teams, and no more than 1 out of every 3 tests per chapter can be at Intro. If there are more Intro riders entering than are allowed, members riding for the chapter will be decided based upon the date their entry was received.
- If a chapter has less than the minimum number of riders, i.e. too many Intro riders or riders not showing at the required levels, the chapters will be combined to form a VADA mixed team.
- If there are more Intro riders than allowed for a particular chapter, including the VADA mixed teams, these riders can enter and compete as individuals, but will not be representatives of their chapter for purposes of the Chapter Challenge placings.
- To determine Final chapter placings, scores of all designated chapter riders will be added together and divided by the number of rides to determine the chapter average.
- MFS, Western Dressage, PDD, Quadrille, and Gaited Dressage scores will not be used for purposes of the Chapter Challenge.

Musical Freestyle Sweepstakes: Get those freestyles ready!! Only VADA members may enter. The purse will be comprised of a portion of the entry fees as well as contributions from local VADA chapters. Musical selections should be on CD and submitted to the show office by 8:00 a.m. on show day.

MFS Sweepstakes is sponsored by: (Virginia Dressage Association)

JUNIOR CHALLENGE:

All juniors entering from any given chapter will form one team for that chapter.

- A team must have 3 riders as a minimum. For chapters with less than 3 juniors, a mixed team will be formed
- Juniors are eligible until the end of the calendar year in which they turn 18
- At least one rider on a team must show in Training Level or higher.

- A rider may show in just 1 test (may do more).
- Scores earned by juniors will count for the Junior Challenge as well as the Chapter Challenge.
- Horses may be ridden by more than 1 rider, but each horse/rider combination must have it's own entry
